# A message from the Schoot Team

Welcome to our new Schoot Training Catalogue for the academic year 2023/24.

**Schoot is a subscription based, online platform**, designed to inspire successful educators through on-demand, high quality training and opportunities for collaboration with other colleagues in primary, special and secondary school settings.

Within this training catalogue we are delighted to launch our ever-growing portfolio of ONLINE ON-DEMAND training to meet the needs of busy school staff in primary, special and secondary school settings.

Our training is research based, **written by experts and 'current' in the education climate**. High quality is the bedrock of our training. We pride ourselves on offering CPD that schools need and will help them develop and improve their TEAMS. In addition, staff have the flexibility of accessing our training when it suits them and can complete the training in one sitting or in 'bite size' chunks. Our training can also be used by leaders during staff meetings, professional development meetings and INSET days.

Our Schoot subscription offers extensive and unlimited access to all our training and materials. Our CPD training covers: all curriculum subjects; senior leadership & governance; subject leadership; early years; curriculum and outstanding teaching & learning approaches.

The training supports staff well-being through the flexibility it offers and saves leaders valuable time when designing and delivering their annual training plans.

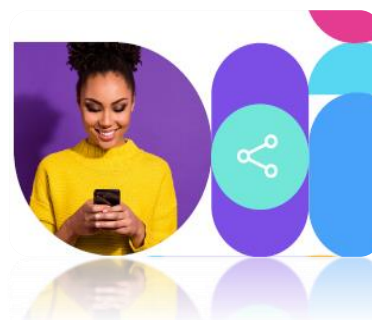

Our Schoot Platform also offers the opportunity for our users to collaborate with colleagues within school and across groups of schools locally, nationally and internationally.

The collaborative feature within Schoot allows our users to access group discussions in order to share content, resources & documents and the latest news in education. Leaders can establish an unlimited number of groups to share ideas, good practice and strategy for their teams including school leaders, teachers, teaching assistants and governors.

If you require any further information or would like to find out about how you can access a subscription for your school, please don't hesitate in visiting our website: [www.schoot.co.uk](http://www.schoot.co.uk) or email us on [support@schoot.co.uk](mailto:support@schoot.co.uk)

We hope you enjoy our training and the opportunities for collaboration with colleagues within Schoot.
